- **Nomination for President Elect**

We need all nominations for a new president-elect sent to Leticia Truex. These will be open for 2 weeks from Wednesday 7-24-24. This is a 3-year commitment. Please make sure that you have time to devote to the position.

- **Legislative Updates- NA**

- **New Business**

2024 Meeting Dates/Locations- Set Oct Date/location-

The October meeting for this year will coincide with the TX Fall Symposium Oct 7-9. Times TBD but probably on Monday. It will be at the Legends Event Center. Registration is open. There are several hotels available.

Next year's dates which coincide with the dates decided on for TNT are:

Jan 17 which is a Friday after the holiday that Monday at AACOG in San Antonio.

April 2-6 in McAllen TX with the Tx Public Safety Conference, date TBD probably 2nd.

July 22 in Amarillo, TX, host TBD

Oct to coincide with place and date of Tx Fall Symposium. Date TBD.

We are working on updating the website. There will be updates to the membership directory and resources.

We are going to make up a tip sheet for outages and other things that may come up. There was discussion to create a committee to get contacts together. So far Charlesetta Malone, Becky Cooley and Mandi Jones have volunteered.

For the tipsheet, the vision was to create a committee to come together to make the tipsheet for when there are outages. This will include knowing tips about service providers (AT&T, Verizon, etc.) that may have guidance already that they just don't share well with the public. So, if someone on the committee has a connection with a provider, they may be able to gather additional information we could use on the tipsheet.

- **Public Education Academy-**

Patti with West Central TCOG and Nikki Newton have begun the talks of revamping and restarting this training. This is not something we necessarily absolutely need more people involved with but if someone is interested in helping update the curriculum and helping present it whenever it is back up and going, they are always happy to have people help. It has not been decided what it will look like once it is being offered again. This is all in the very beginning phase. The only thing that has happened thus far is the old curriculum has been found so it can really be shaped to whatever the people working on it want it to be. If anyone has any information they think can be used then please let them know.

Ideas for Back to School and National Night out were given by several people. Emails will go out to gather ideas by email and will be sent out to everyone. We will do the same before Christmas and TC week for ideas about those as well. We will also add them to the website.

- **Old Business**
